Ureshino Retreat Tour

1.Tour Theme “Ureshino Retreat”

Relax in Ureshino Onsen, known as one of Japan’s top three hot springs for beautiful skin with over 1,300 years of history, while experiencing and learning about tea and ceramics.

2. Ureshino Onsen

Enjoy ultimate relaxation in Ureshino Onsen. Its smooth, lotion-like water offers a luxurious bathing experience developed over 1,300 years.

3. Pan-fired Tea Experience

Experience traditional Chinese tea-making techniques introduced during the Ming Dynasty. Under guidance, roast tea leaves in a high-heat iron pan, enjoying changes through all five senses.

4. Ureshino Tea Dyeing Experience

Create a one-of-a-kind souvenir by dyeing a handkerchief or bag using chemical reactions between Ureshino tea and hot spring water.

5. Tea Brewing Experience

Learn how temperature affects tea flavor and components, discovering the depth and variety of tea.

6. Ureshino Tea Exchange Center “Chaoshiru”

A facility to explore the history and culture of Ureshino tea with detailed exhibits.

7. Tea Warehouse Tour

Visit tea storage facilities where tea from Saga and Nagasaki is kept in refrigerated conditions.

8. Tea Appraisal Experience

Learn how professionals evaluate tea and compare tea leaves.

9. Tea Auction Experience

Simulate a real tea auction using actual equipment.

10. Hizen Yoshida Yaki Ware Introduction

Learn about Yoshida ceramics history from professionals and walk through the town.

11. Visiting Hizen Yoshida Yaki Kamamoto kilns

Observe artisans and production processes firsthand.

12. Shida Yaki no Sato Museum

Learn historical ceramic production in a preserved kiln site.

13. Shida Yaki Resource Center

Guided explanation of valuable ceramic works by the museum director.
